**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do not allow companies like ATT to remove access to the critical unbundled network elements like last-mile copper and inter-city fiber.

I am sick of reduced competition and rolling up of smaller companies with the potential loss of local providers like Sonic.net who work for me the consumer and the not the other way round.

Thank you.
